Just 30 minutes to completely clean

Our dishwasher features a fast-wash programme that cleans light loads quickly and thoroughly in just half an hour. So your dishes are ready to use at a moment's notice.

Choose the most convenient time of day to do dishes

The 24h delay function enables you to postpone the dishwasher cycle for up to 24 hours in one-hour increments. So you can begin the cleaning process when you have the time or energy. It's ideal for taking advantage of off-peak rates or running a programme when hot water isn't required elsewhere
