Choose the most convenient time of day to do dishes

The 24h delay function enables you to postpone the dishwasher cycle for up to 24 hours in one-hour increments. So you can begin the cleaning process when you have the time or energy. It's ideal for taking advantage of off-peak rates or running a programme when hot water isn't required elsewhere

Clean dishes, green conscience

The special sensor in our AutoWash feature detects how much cleaning your dishes need. Using just the right amount of water, energy and detergent to do the job properly. Meaning dishes are cleaned in the most eco-friendly way possible.
