Product Benefits & Features

Gives you some of the quickest results possible!

The ceramic cooking zones on this hob heat far more rapidly than solid hot plates, enabling you to boil water and cook meals even faster.

- Automatic fast heating up
- Key-lock function
- Child safety lock function
- Hob safety: Automatic Switch Off
- Acoustic signal
- Timer function
- Residual heating indicator: 7 Segments
- Easy installation thanks to snap-in system

Pans large or small – the dual zone can handle both!

You can use different sizes of pans on this hob's smart dual zone. It efficiently heats standard-sized pans but can also easily handle larger ones.

A simple way to complete peace of mind

Stop little fingers from playing where they shouldn't, thanks to this hob's special child safety lock. It's a simple way to complete peace of mind.

The less-housework hob!

The smooth ceramic glass surface of this hob makes for less housework, and more fun! All it takes is a few wipes to leave it sparkling clean.

The hob that lets you know it's still hot!

The residual heat indicator on this hob reduces the chance of accidental burns in the kitchen. It lets you see at a glance if the burner is still hot.
