

Anti-allergy programme

Anti-allergy programme combines a high performance wash cycle and steam vapour to help in removing allergens and bacteria from your favorite garments. This allows you to enjoy hygienically clean and gentle clothes, wash after wash.

•PMM Inverter Motor

- Kill 99.9% Of Bacteria At 40 Celsius

- Add Forgotten Clothes During The First 10 To 15 Minutes

- Add Steam To Reduce Wrinkles By 22%

- Save Your Favourite Program For Easy Recall

Product Benefits & Features**Less wrinkles and less ironing with PlusSteam option.**

Adding steam to the end of the wash cycle so the fibres of your clothes relax and wrinkles are reduced by a third*. Without exposing them to the repeated heat of regular ironing, clothes retain their shape and texture for longer.

* compared to the same machine without PlusSteam

- Maximum spin speed: 1200 rpmb
- Handwash program that allows 'handwash' labelled items to be washed by machine
- Fuzzy Logic technology, adapting to the load
- Anti-flood protection
- Anti-foam rinse system
- Out of balance control of the drum load
- TC2 8 Kg 1200 RPM WHITE
- Feet: 4 adj feet
- Appliance HxWxD (mm): 850 x 600 x 581
- 8 KG

Refresh your clothes in just 20 minutes

If you quickly want to wash some clothes, the 20-minute Refresh programme on this Zanussi washer is ideal. The cycle will be done in no time, and you'll be ready to get on with the fun things in life!

Inverter motor – washes clothes quietly and efficiently

Our inverter motor makes sure your washing machine runs efficiently, every time. Thanks to its smart energy-efficient design, you can save money while you do the laundry. And because it's quieter than standard models, you can enjoy a peaceful home.

4-step Time Manager**Easy loading and unloading**

The generously sized XXL Door makes it easier and effortless to load and unload your laundry.

Product Specification

Load Capacity kg (Wash)	8
Wash Energy Rating	A
Spin efficiency	None
Energy consumption Annual (kWh)	0
Washing noise level IEC 704-3 dB(A)	0
Spinning noise (dBa)	0
الأكسسوارات	Selector with LED
Connected Load	1850
Voltage	220-230
Required Fuse	10
Height (mm)	850
Width (mm)	600
Depth (mm)	581
Product Class	Front loaded WM
Maximum spin speed (rpm)	1200
Colour	Sliver
