

**Dry more in one go? Easy.**

This convenient high-capacity dryer lets you dry more or larger items all in one go. It couldn't be easier to get your weekly load out of the way.

- The Dryer Senses When The Clothes Are Dried To The Level Specified<br>
- The Moisture Is Condensed Into A Water Container, No Outside Ventilation Is Required <br>
- PMM Invertor Motor<br>

## Product Benefits & Features

**The tumble dryer that runs whenever it suits you best**

DelayStart lets you pre-program the cycle to start within 3,6 or 9 hours when it is convenient for you.

**Spend less time ironing**

The Easy Iron program reduces wrinkles and creases making it easier for you to iron, leaving you more time to spend on other things.

**Unlimited placement options**

The full reversibility of this dryer's door gives you four different handle-position options, which means you can place the dryer however you like.

**The easy way to take complete control of your drying time**

Thanks to the TimeDry function, you can decide exactly how long the drying cycle will last. Simply select the desired time, press start – and relax!

**Product Specification**

Color	Sliver
Connected Load	2250
Depth (mm)	630
Drying Capacity (kg)	8,0
Energy consumption Annual (kWh)	0
Energy class	B
Height (mm)	850
Product Class	Tumble Dryer
Voltage	220-240
Width (mm)	596
